Notes:

This is a Desktop Mapping product. The statutory records information provided has been appended to the base plan using all reasonable skill and care.

Important information on asset data shown:

UKPN - Discrepancies exist within the background mapping information and asset location information as there is a combination of old and new data.

Instalcom & EU Networks - Inaccuracies will exist due to poor quality background mapping and asset location data.

CA Telecom - Not appended due to very poor quality background mapping and asset location data.

BT & Virgin Media - Asset scaling has reduced the location accuracy of cable routes and IC positions.

Thames Water - Unable to determine correlating pipes to indicated pipe sizes.

Always refer to the the original asset records for verification of each provider's data.

DO NOT SCALE OFF THIS DRAWING.

EXACT LOCATION OF ALL APPARATUS MUST BE DETERMINED ON SITE.
